Brownie Troop 2461

The Brownie Troop 2461 in the Shoestring area has had a very busy but fun month and an even bigger one is planned for the coming month. These activities will be centered around the holidays.

On November 11, the girls and two mothers, Mrs. Wilma Henson and Mrs. Billie Robertson, went to Marineland. Despite the rain the group had a nice day, taking in all the shows. Then they enjoyed a picnic lunch inside in a reserved place just for them.

At this time of the year the Girl Scouts and Brownies join together and sell their calendars. The proceeds help further Scout activities among the girls.

THE GIRLS have been making "space mouses" and now are in the midst of making Christmas presents for their mothers. They plan to get started on nut cups for the children of the Harbor General Hospital for their Christmas party. This Brownie troop tries to do something for the hospital each year.

Nancy Henson and Laura Robertson were honored at a Birthday party. Each girl received an autograph hound from the troop. Games and stunts were the main attraction for that day.

THE MOTHERS and their daughters of this troop scheduled their Christmas party for Dec. 9 at the home of Mrs. Billie Robertson at 22111 S. Harvard.

The regular meeting of the Brownie Mothers was held this month at the home of Mrs. F. Cline with the following mothers present: Pauline Marshall, troop leader; Annie Gull; Margaret; Margaret; Wilma Henson; Faye Cline; Wilma Maland; Joyce Crokroy; Betty Sanford; Josie Jarvis; Alice Fultz; Blanche Willis and Billie Robertson.

All were urged to attend the neighborhood meeting Dec. 12 at Normandale Playground.
